

**Grants to Date**

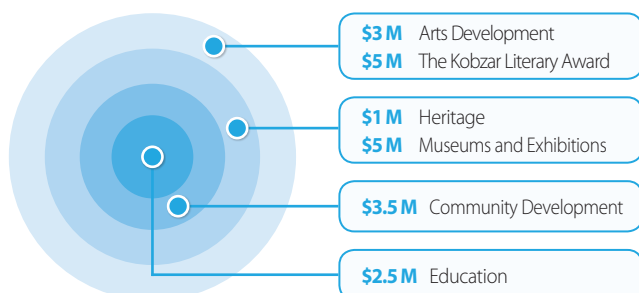

The Shevchenko Foundation has granted \$10 million to date to support excellence in creativity and the promotion of Ukrainian Canadian culture.

**Assets Under Management**

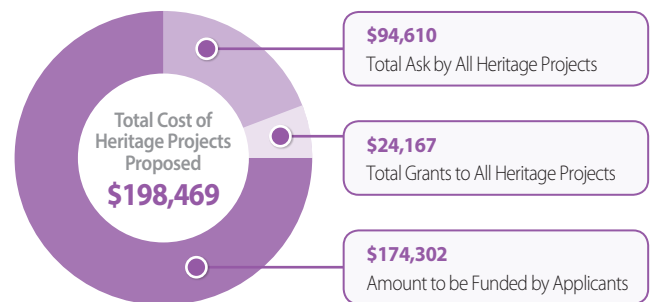

**\$20 M Campaign Goal**

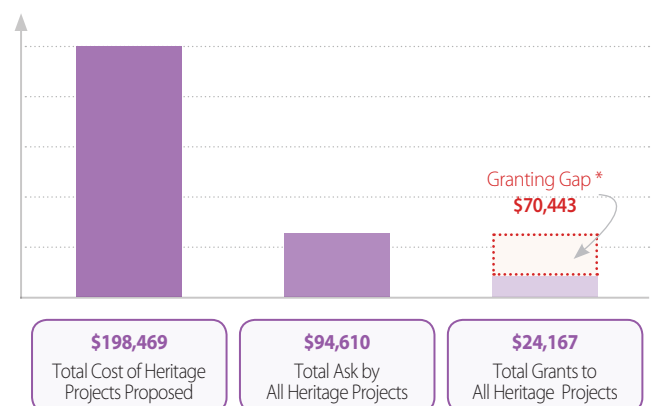

**Heritage**

Funding for Heritage ensures the preservation of the vibrant legacy, history, and cultural artifacts of the Ukrainian community in Canada for future generations. This involves grants to research, write and document the histories of local communities and their landmarks, and grants for the support for published works on the history of Ukrainians in Canada. Moreover, grants support the study and popularization of Ukrainian heritage through the development of exhibitions and events. Acquisitions of heritage items or collections at risk by recognized and established institutions, museums, and art galleries are also funded.

**Current Annual Granting Profile**

\* The Granting Gap will be closed by reaching the Heritage \$1 million campaign goal.

## Message from the Honorary Co-Chair

The Shevchenko Foundation is a great source of pride and should be credited for the excellent work it does in the name of Taras Shevchenko, the iconic Ukrainian cultural and national figure. The Foundation makes transformational investments

in the arts, culture, education, and community development, allowing all Canadians to enjoy the richness of Ukrainian culture.

As the preeminent Ukrainian philanthropic body in Canada, the Shevchenko Foundation contributes to the strength of Ukrainian identity and helps shape Canada into a home for diverse and vibrant communities, a benefit to all Canadians.

The Shevchenko Foundation's reputation of professionalism and prominent role in the community is recognized by thousands of individual donors and supporters for 50 years and by the Canadian government, entrusting the Foundation in the management of the Canadian First World War Internment Recognition Fund's \$10 million endowment.

By giving to the Shevchenko Foundation you are funding many initiatives by artists, educators, performers, community organization and cultural associations that together make a difference in the lives of all Canadians and Ukrainians. I encourage you to join me in supporting this crucial work and in building a sustainable future for our community.

**– James C. Temerty, C.M.**

Honorary Co-Chair, Our Legacy Our Tomorrow Campaign

## Heritage

*"The support of the Shevchenko Foundation is vital to Oseredok Ukrainian Cultural and Educational Centre as it enhances our capacity to share Ukrainian heritage with Canadians through a public program of exhibitions, such as Baba's Trunk: Picture Worth a Thousand Words, Legacy of the Cossack Elite, and A Story of Plast: 100 Years of the Ukrainian Scouting Movement. The Plast exhibition, a collaborative effort by Plast and Oseredok, illustrates the Centre's outreach to community organizations engaging them in the process of heritage preservation and bringing to light a collective community memory."*

**– Christina Semaniuk,**

Oseredok Ukrainian Cultural and Education Centre
